## INTRODUCTION

Visva-Bharati is a pilgrimage for education and culture. It reflects the Tagorean ethos of making a complete human being. It is a hallowed place of learning cradled in a serene environment in the lap of Nature, where Rabindranath founded a school for children at Santiniketan and it was around this nucleus that the structure of an unconventional University developed through careful planning and meticulous execution of those ideas and ideals.

In 1863, on a 20 Bigha plot at the site of the present institution, Debendranath Tagore, the poet's father, had built a small retreat for meditation, and in 1888 he dedicated, by a trust deed, the land and buildings, towards establishment of an Asrama where seekers after truth irrespective of their formal religious affiliations, sect, creed and caste could come and meditate in seclusion; a Brahmavidyalaya and a library. Rabindranath's school Brahmacharyasrama which started functioning formally from December 22, 1901 with no more than five students on the roll, was, in part, a fulfillment of the wishes of his father who was a significant figure of his time in the field of educational reforms. From 1925 this school came to be known as Patha-Bhavana.

The school was a conscious repudiation of the system introduced in India by the British rulers, and Rabindranath initially sought to realize the intrinsic values of ancient education in India. The school and its curriculum, therefore, signified a departure from the way the rest of the country viewed education and teaching. Simplicity in externals was a cardinal principle. Classes were held in open air in the shade of trees where man and nature entered into an immediate harmonious relationship. Teachers and students shared the single integral socio-cultural life. The curriculum had music, painting, dramatic performances and other performative practices. Beyond the accepted limits of intellectual and academic pursuits, opportunities were created for invigorating and sustaining the manifold faculties of human personality.

After Rabindranath was awarded the Nobel Prize in 1913, he was invited to numerous visits all over the world and came closely to know a large part of the world and its people. By 1917 the range of his experience and the restlessness of his exploration led to his own self-clarification regarding the idea of a centre of Indian culture at Santiniketan. The centre, as conceived by him, was to provide "for the coordinated study of the different cultures". As "music and the fine arts are among the highest means of national self-expression ... in the proposed centre of our culture, music and art must have prominent seats of honour". This centre should not only be a centre of the intellectual life of India but the centre of the economic life as well. Participating thus in all the major spheres of Indian life, the institution would attain a representative character and enter into an encounter with the rest of the world.

The institution chose for its motto the Vedic text "Yatra visvam bhavatyekanidam" (where the world makes a home in a single nest). On 23 December 1921 Visva-Bharati became a registered public body which adopted a constitution of its own. The aims and objects as set forth on the occasion have since then remained the objectives of Visva-Bharati.

In 1922, the Department of Higher Studies became Uttara Vibhaga to be renamed Vidya-Bhavana in 1925. Hindu philosophy, medieval mysticism, Islamic culture, Zoroastrian philosophy, Bengali literature and history, Hindustani literature, Vedic and Classical Sanskrit, Pali, Prakrit, Chinese, Tibetan, Persian, Arabic, German, Latin and Hindi formed its areas of study and research.

Vidya-Bhavana was the manifestation of the ideal of the proposed centre of comprehensive studies in the cultures of the East and the West. The centre was viewed principally as a community of scholars, Indian as well as foreign, who would be engaged in creation and dissemination of systematized and philanthropic reasoning. The concern was epistemological. Those who visited included Moriz Winternitz, V. Lesny of Prague, Carlo Formichi and Giuseppe Tucci of Rome, Sten Konow of Oslo. They added a new dimension to the work that was being carried on by a remarkable group of Indian scholars and creative artists of rare dedication, the services of some of whom Rabindranath had secured even from the days of the Brahmacharyasrama.

In 1937, Cheena-Bhavana, the Department of Sino-Indian studies was established, and even today it remains, by any standard, an exceptionally remarkable symbol of cultural collaboration. In 1938, the Hindi-Bhavana with certain distinct projects of studies was founded. Kala-Bhavana, which was originally the institute for both Fine Arts and Music, came into existence in 1919 but in 1933

it branched off into two independent institutions, Kala-Bhavana and Sangit-Bhavana, each with its own distinct discipline. In generating more informed and cultured interest and more inputs of educational components, these two institutions played pioneering roles in our country.

The Institute of Rural Reconstruction was founded in 1922 at Surul at a distance of about three kilometres from Santiniketan. It was formally inaugurated on February 6, 1922 with Leonard K. Elmhirst as its first Director. Thus the second but contiguous campus of Visva-Bharati came in existence in 1923 at a site which assumed the name of Sriniketan. The chief object was to help villagers and people to solve their own problems instead of a solution being imposed on them from outside.

In consonance with the ideas about reconstruction of village life, a new type of school, meant mainly for the children of neighbouring villages who would eventually bring the offering of their acquired knowledge for the welfare of the village community, was also conceived. This school, Siksha-Satra, was started in Santiniketan in 1924 but was shifted to Sriniketan in 1927. The Lok-Siksha Samsad, an organization for the propagation of non-formal education amongst those who had no access to usual educational opportunities, was started in 1936. Siksha-Charcha for training village school teachers followed next year.

A few more institutions were added after Rabindranath's death on August 7, 1941. Rabindra-Bhavana, the archive on Rabindranath and the institute exclusively devoted to study and research on him was established in 1942. In 1948, Vinaya- Bhavana, a teachers' training institution, came into being.

In May 1951, Visva-Bharati was declared to be a Central University and "An Institution of National Importance" by an Act of Parliament. It was granted the status of a unitary teaching and residential University. The status and function of all the major institutions have been redefined in successive Amendment Acts and the University has continued to grow by giving accreditation to new centres in response to the needs newly felt.

The old Vidya-Bhavana started Honours and M.A. courses of the usual type. Siksha-Bhavana, given originally the responsibility of conducting under-graduate courses, was split off from Vidya-Bhavana. In 1972, when the institutes were restructured faculty-wise, Vidya-Bhavana became the faculty of Humanities and Social Sciences and Siksha-Bhavana, that of Science. The erstwhile departments of Sriniketan have been amalgamated into Palli Samgathana Vibhaga (Institute of Rural Reconstruction), with the exception of the independent faculty of Agriculture, Palli Siksha Bhavana, which came into existence in 1960.

The school has reshaped itself into a full-fledged modern University with diverse concerns and interests. The defining maxim of excellence remains intact.

From the very beginning Rabindranath tried to foster a self-sufficient social life along with new values of creative as well as participatory culture. The most joyful expressions of the community are the festivals which at different times of the year celebrate the cycle of the seasons and the diverse manifestations of Nature. Dances and songs presented on such occasions draw as much upon Rabindranath as other cultural resources of all parts of India. The community comes together in these festivals and, for the young students in particular, it is an unobtrusive process of cultural enrichment. Cultural events and festivals are a legacy from the inception of the institution. The open-air devotional service that is held on 7th Poush (on or about 23 December) every year under the Chhatim tree where Maharshi Debendranath once meditated is an occasion of particular significance for the institution since it is the foundation day of the Asrama. In accordance with the trust deed, a mela (fair) popularly known as the Poushmela is held to mark the occasion. Another three-day village fair, called Maghmela is held early in February every year at Sriniketan. 'Vasanta Utsav' (Spring Festival), Briksaropan (Tree Planting Ceremony) and Halakarsana (Ploughing) are not just festivities but are curricular activities contributing to the core courses on Tagore Studies and Environmental Studies.

There is a prayer-hall, referred to as Mandir, where on every Wednesday a non-denominational community prayer service is held. This prayer-hall is the place of congregation for all important occasions of commemoration for the community. It was the founder's belief that the moral influence radiating from here would afford a silent but constant guidance to the members of the community.

# **SANGIT BHAVANA**

**(INSTITUTE OF MUSIC, DANCE & DRAMA)**

**CODE: 04**

**G**urudeva Rabindranath Tagore always acknowledged the rightful place of Music and dance in his scheme of education. He regarded the language of sound and movement to be the highest means of self-expression without which people remain inarticulate. Himself being a composer of great originality, he wrote dance-dramas, operas and more than 2000 songs to fit where human emotions come to play.

At present Sangit-Bhavana imparts training in Rabindra Sangit, Hindusthani Classical Vocal and Instrumental Music (Esraj, Sitar, Tabla, Pakhawaj), Manipuri Dance, Kathakali Dance and Rabindra Nritya, Dramas and Tagore's own Musical Dance-dramas. For exceptionally talented post-graduates, there is scope for research. Sangit-Bhavana has been organising regular functions and festivals like Bengali New Year's Day, Tagore Week (Rabindra Saptaha), Varshamangal, congregational services of Poush, Spring Festivals, etc.

Sangit-Bhavana tries to carry on the rich traditions ushered by Dinendranath Tagore, Bhimrao Sastri, Indira Devi Chaudhurani, Santidev Ghosh, V. V. Wazelwar, Dhruva Tara Joshi, Sushil Kumar Bhanja Choudhuri and Sailajaranjan Majumdar. Some of the noted exponents of Rabindra Sangit from the Bhavana are Kanika Bandyopadhyay, Suchitra Mitra, Nilima Sen and other eminent personalities.

# KALA BHAVANA

## INSTITUTE OF FINE ARTS

**CODE: 05**

Kala-Bhavana is an internationally well-known and distinguished institute for Visual Arts training and research in India. This institute, which gave shape to the culture-specific modernism initiated by Rabindranath Tagore and carried forward by the commitment and wisdom of Nandalal Bose, Benode Behari Mukherjee, Ramkinkar Baij and their contemporaries, has richly contributed in giving a valid direction to individual art activity in contemporary social space. More recently several eminent artists and scholars attached to Kala-Bhavana have been keeping the tradition alive by their personal visual experience, fresh exposure and openness for experiments.

Its academic programme is broad-based; it introduces the students to a vast repertoire of techniques and art forms backed by the knowledge of history of art. The studio practice, lectures, discussions and exhibitions keep the art atmosphere of the faculty alive, where the students get ample opportunity to sharpen their individual sensibilities and future prospects.

# PATHA BHAVANA

(INSTITUTE OF SECONDARY & HIGHER SECONDARY EDUCATION)

CODE:09

Patha Bhavana, the Poets' School, was originally founded as *Brahmacharyashrama* in 1901 by Rabindranath Tagore in the model of *Tapovana* education. The idea of making it an Institute 'where the world meets in a single nest' (*yatra viswambhabatyekanidam*) led to its growth as a university, Visva-Bharati in 1922. *Brahmacharyashrama* was later renamed as Patha Bhavana in 1924. Visva Bharati was made a Central University and an Institution of National Importance in 1951 by an act of the parliament.

Patha-Bhavana still upholds Tagore's idea of education, which he conceived as going beyond rote learning to add to the complete development of an individual. It was, and still is a deviation from other conventional institutions. Tagore tried to develop a curriculum which would be different from only text based learning. Facilities are there to let one's sensitive heart feel a harmony that exists in nature and to be one with it. Joy, freedom, mutual trust, co-operation are the basic principles. At Patha-Bhavana classes are still held in open air under the trees. Various activities are designed to help children learn the value of innovation and creativity. Along with the normal school subjects, students are exposed to paintings, clay modelling, handicraft and other creative assignments. Every student has to take part in music and dance. All these are given equal importance in the learning process.

Till today, *Ashram Sammilani* (students's Council), founded by the Poet himself in 1912 and an important aspect of his educational ideas, aims at developing self-reliance, self-discipline and self-restraint among students. It has several wings and notable among them are the activities of *Sahitya-Vibhaga* (Literary Unit), *Seva Vibhaga* (Social Service), *Paribesh Vibhaga* (Environment) and *Vichar Vibhaga* (Judiciary). Attending weekly prayer meetings at the *Upasana Griha*, participating in games & sports and different festivals of the University are part of the life of a student of Patha-Bhavana.

As was envisaged it is primarily a residential institution, though there is facility to study as a day-scholar. It is a co-educational institution. It imparts education from K.G. to class-XII. The medium of instruction is primarily Bengali. However facilities of learning in English is provided to students whose mother tongue is other than Bengali. Students appear in 'School Certificate Examination' after Class X and Pre-Degree Examination after Class XII, both conducted by "Visva-Bharati".

The academic session for Mrinalini Ananda Pathshala and Patha Bhavana up to Class X is January to December every year. The academic session for Pre Degree course commences in June every year.

# SIKSHA SATRA

(INSTITUTE OF SECONDARY & HIGHER SECONDARY EDUCATION)

**CODE: 10**

Siksha Satra, an integral part of Visva Bharati was established on July 1, 1924 as an Experimental School at Santiniketan. The School was later shifted to Sriniketan in the year 1927. Rabindranath had conceived that Siksha Satra would perform the most significant function of Sriniketan, in helping students to the attainment of manhood complete in all its various aspects. The primary objective of Siksha Satra is to educate one's limb and mind not merely to be in readiness for all emergencies, but also to be in perfect tune in the symphony of response between life and the world.

The Poet confesses, “....I myself attach much more significance to the educational possibilities of Siksha Satra than to the school and college at Santiniketan which are everyday becoming more and more like so many school and colleges of this country: borrowed cages that treat students' minds as captive birds whose sole value is judged according to the mechanical repetition of lessons prescribed by an educational dispensation foreign to the soil.” He had visualized that the 'Poet's School' would one day realize his dreams.

Mahatma Gandhi came to visit Siksha Satra in 1925 and became so pleased with its activities that he wanted to borrow the services of the Headmaster of Siksha Satra for giving shape of his own plan of Basic Education. The Basic Education of Mahatma Gandhi started in the year 1937. The activities of the students of Siksha Satra and the ideals of Rabindranath inspired Gandhi to think in terms of Basic Education.

In 1982 Siksha Satra became an independent unit of Visva-Bharati gaining its complete administrative control (earlier it was a part of Palli Samgathana Vibgha). The Junior division NCC unit was opened at Siksha Satra in 1982. In 1988, Santosh Pathsala, the Kindergarten School at Sriniketan was opened under the administrative control of Siksha-Satra which later became an integral part of the School. The students of Santosh Pathsala move on to Siksha-Satra after successful completion of two years of pre-primary training.

In 1976, when the 10+2 system of education was introduced all over India, Uttar Siksha Sadana came into existence as a separate unit of Visva-Bharati for classes XI and XII. However, in 2009 the Academic Council of Visva-Bharati decided that the students will benefit more if they remain within the careful guidance of their respective schools after completing class-X. As a result, Uttar Siksha Sadana merged with Siksha-Satra and Patha Bhavana and at present both the schools offer Pre-degree course for Science and Humanities stream.

In respect to objective, curriculum, pedagogy and methodology Siksha Satra today functions as a Non-residential Institution parallel to the other School under Visva-Bharati offering several subjects of study unique to its nature. The students of Siksha Satra appear in the final School Certificate Examination after Class-X and Higher Secondary Examination after Class-XII conducted by Visva-Bharati.
